## AT-A-GLANCE

November 2022

### MESSAGE FROM THE EXECUTIVE DIRECTOR

As we near the end of the calendar year, the Beer Board team is preparing for the annual privilege tax season, due annually by January 1st. As a department, we are constantly looking for ways to address and improve our current processes and procedures. Over the last few privilege tax seasons, we have tried to reduce our reliance on paper by utilizing electronic communication, whether through email or social media, to communicate with permit holders.

In October 2018, following our initial privilege tax email notification, we received early payments from approximately 25 permit holders. During the same time period this year, we are proud to say that we received over 400 privilege tax payments early. A hard copy of the privilege tax letters for this season will be mailed out in mid-November for anyone who has not submitted payment.

In order to improve our communication moving forward, we will include a document that allows permit holders to update their contact information, which should include email addresses. If you would like to pay your annual privilege tax, follow this link:

As always, we appreciate your feedback and assistance in making this an exemplary board and incredible industry.
